Why Vail Valley Chooses Kuhn Consulting

25+ Years of Enterprise Experience

Multi-tenant SaaS, network architecture & security background most repair shops don't have.

Real Person, Real Accountability

Your neighbor in Eagle County, not a call center or franchise.

Built for Second-Home Owners

Remote monitoring & arrival-ready service for owners who aren't always in the valley.

Straightforward Pricing

Written quote before any work begins, always. No surprise line items.

All prices are starting rates. A written quote is always provided before work begins. Free in-home or remote diagnostic on every visit · 90-day warranty on parts and labor · No-fix, no-fee guarantee.
